Task 5 Interview with a star

Text transcription

- Frank** Good morning everyone. This is Frank Morato from Radio Capital City. Today we are interviewing Jennifer Gomes, the star of the new TV-series The Redhouse Academy. Jennifer, thanks for joining us.
- Jennifer** You're welcome, Frank. And hello to all our listeners.
- Frank** Well, Jennifer let's start the interview with some easy questions. First of all, where are you from?
- Jennifer** Well, I'm originally from Liverpool, but my family moved to Manchester when I was three years old. I lived there until I was 17, and then I moved to London to be an actress.
- Frank** Why did you move from Liverpool to Manchester?
- Jennifer** My father is a journalist, just like you. He was offered a good job and my parents decided to move.
- Frank** Very good. Okay, and where did you go to college?
- Jennifer** I attended the School of Modern Arts in London and it was a wonderful experience. I loved my schoolmates and all of my teachers loved my acting. I learned a lot of things.
- Frank** Did you have a part-time job while you were in school?
- Jennifer** Yeah. I worked at a cinema. I served popcorns and drinks. They didn't pay me a lot but I only worked 4 hours a day. I had enough money to survive.
- Frank** And what did you do when you finished school? Was it easy to become a TV star?
- Jennifer** I was very lucky. They offered me a small part in this new TV series and it was a big success.
- Frank** And we all know how the rest of the story. Now you are famous all over the world and teenagers love you. How old are you now?
- Jennifer** Well, I'm 20, but in the TV series I play a teenager who is 16.
- Frank** And what are your hobbies?
- Jennifer** Well acting doesn't leave me much time. But I love shopping for clothes and makeup.
- Frank** Can I ask you a big favour? Can we take a picture together so we can put it on the radio homepage?
- Jennifer** Sure. Do you want me to write something? Something like "To all Radio Capital City listeners. A big kiss from Jennifer Gomes. Enjoy yourself with the new episodes of The Redhouse Academy and see you soon". How does it sound?
- Frank** Excellent!

Samuel Oh, my house is the one with the blue door. Number 75

Maureen Right next to us. We live at number 77. It's the house with the brown door. We don't like it but we are not changing it for the moment. We spent a lot of money to buy the house and don't have much left.

Samuel You can do some renovation works later on.

Maureen Yes, when we have some money to spend. Do you know the people living at number 73?

Samuel Yes, Mark lives there with his family. His wife is Paula and they have two children.

Maureen Do you like living in this area, Samuel?

Samuel Yes, I do. I like it very much. We have some shops round the corner and the bus stop is down the road. If you want to take the train the station is only down the road. A five minute walk and you're there.

Maureen Yes, that was one thing I considered when we decided to buy the house.

Samuel When did you move here Maureen?

Maureen I moved here last week. How about you?

Samuel I moved here four years ago

Maureen I think I know your sister Samuel. Is she called Jeanette?

Samuel That's right. When did you meet her?

Maureen I met her yesterday. Do you know our other neighbours?

Samuel Yes, I do. I can introduce them to you. We can organize a party. We have some very friendly neighbours. John for example is a very helpful person. If you have a problem you can always ask him.

Maureen That's good to know. Thank you. Let me know about the party.

Task 7 My daily routine

Text transcription

Teacher Now a small interview about your daily routine. Let's start from you Tom. What time do you wake up?

Tom I usually wake up at seven 'o clock but I never get out of bed before half past seven

Teacher And what do you do after?

Tom When I get up I'm very hungry. The first thing I do is to have breakfast

Teacher And what do you usually have for breakfast?

Tom Normally I have cereals, but sometimes I have a couple of toasts with jam.

Teacher Do you have eggs or bacon?

Tom No, I don't like them. Not for breakfast.

Teacher Good. And what do you do after?

Tom I wash my face and my teeth. I dress up and pack my school bag. And I'm ready to go.

Teacher How do you get to school.

Tom I don't live far away from the school. I walk. It's only takes 10 minutes. On the way to the school I meet my friend Diane and we walk together.

Teacher So you start school at half past eight and you finish at three o'clock. What do you do after?

Tom I usually get home at half past three and I have a rest. I usually watch television for an hour.

Teacher Do you practice any sports?

Tom Yes, I play football with my friends. We meet at the park around five o'clock and play for two hours. And then I go home again. Mum and dad are back from work at half past five and we usually have dinner at eight o'clock.

Teacher And after dinner?

Tom I watch television with my parents if they are showing something interesting. Sometimes I just stay in my room and listen to music or play games on the computer.

Teacher What time do you usually go to bed?

Tom In winter I'm usually in bed by ten o'clock. In summer a bit later, around eleven o'clock.

Teacher Thank you very much Tom.

Task 8 Seasons

Text transcription

In Spring leaves are green, flowers blossom, the temperature is warm and birds sing. The weather can change very fast. Sometimes it rains but other times it is sunny. It is best if you take your umbrella with you. For me Spring is one of the best seasons. After a long winter I can go to the park and play with my friends. In Summer the weather is hot and sunny. We go to the beach or to the swimming pool and we have a lot of fun. We have a long holiday from school, from July to September.

Autumn is a sad season. Our holidays finish, we have to go back to school and the weather changes. It's not hot anymore and sometimes it rains. It's a very windy season. The leaves on the trees get red and brown and they start falling.

In Winter the weather is very cold and sometimes it snows. When it snows I make snowmen with my friends and we have snowball fights. It's very funny. Another good thing about this season is our Winter holidays. At Christmas we have a lot of presents and our parents buy us new toys. The bad thing is that we can't go out to play because it's very cold. We have to stay at home.

Task 5 An old family picture

Text transcription

- Lindsay** Look Dad. I've found this picture in a box under the wardrobe. I don't recognize the people in the picture. Who are they?
- Father** Oh, that's an old picture of me and my family.
- Lindsay** So this is uncle Robert and the one next to him is uncle Peter.
- Father** No, you're wrong. Uncle Peter is the one with blonde hair and uncle Robert is the one with dark hair. They are both bold now and it's difficult to see the difference.
- Lindsay** And you are the one in middle?
- Father** Yes, I had curly hair and I was very tall at the time.
- Lindsay** Are you older than uncle Robert and uncle Peter?
- Father** No. Uncle Robert is the oldest brother. I was born two years later and uncle Peter five years after me. In between aunt Julie was born and finally aunt Sarah.
- Lindsay** Grandad Paul is very young in this picture. How old was he?
- Father** Let me think. Dad was 28 years old when I was born. In that picture I'm 10. So I guess he is 38.
- Lindsay** Exactly the same age of me and you now. You are 38 and I am 10. What a coincidence!
- Father** Yes, a very strange coincidence. And also my mum and your mum have the same age.
- Lindsay** Grandmum Rita was 37 in the picture?
- Father** Exactly. Look at her on the right hand side of the picture. She is so happy with all her children and her husband.

Mark Look at that bicycle. It's beautiful. I want to buy it

Janet But you don't have the money. It costs 200 pounds. Where are you going to find all that money? How much do you have in your piggy bank?

Mark Ehm ... at the moment only 5 pounds.

Janet That means you need another 195 pounds! It's a lot of money. Where are you going to get it from?

Mark Well, for my birthday mum and dad usually give me 30 pounds for present.

Janet And when is your birthday?

Mark It's coming up soon. Next week.

Janet Good. But you still need another 165 pounds!

Mark My grandparents are giving me other presents. 20 pounds from my mother's grandparents and 20 from my dad's. That's another 40 pounds.

Janet Ok. But you still have to find another 125 pounds.

Mark Can you lend me something?

Janet Impossible. My piggy bank is empty. I bought a new mobile last week and spent all my money.

Mark Then I have no other choice. I have to work during the summer holidays. I need extra pocket money to buy that bicycle.

Janet What job you are thinking about?

Mark I can do some dog sitting for Mr. Joyce. He is very old and gets very tired when he takes his dog out for a walk.

Janet How much is he paying you?

Mark He gives me 10 pounds a week. If I work all over the summer holidays I can make 60 pounds.

Janet Good. You only need another 65 pounds.

Mark I can cut the grass for some of our neighbours. I can wash my dad's car. He will give me extra money for this. I can do a lot of things. I really want to buy that bike.

Janet Can I ride your bike when you buy it?

Mark Yes of course. But you have to be careful not to ruin it.

- Man at ticket office** London has different stations. Liverpool Street, King's Cross, Victoria, Charing Cross. Waterloo. Do you know exactly which station you want to go to?
- Sarah** Oh I think the nearest one is King's Cross. The one with Harry Potter's 9¾ platform.
- Man at ticket office** Oh yes. But I don't think you are taking the Hogwarts Express for your return journey!
- Sarah** Surely not!
- Man at ticket office** Just one last question, Madam. Do you want a one-way ticket or a return ticket?

- Man at ticket office** Very well Madam. Here's your ticket. It's 15 pounds. Are you paying cash or by credit card?
- Sarah** I am paying cash. Here's 20 pounds.
- Man at ticket office** Thank you very much. Here's your return ticket and here's your 5 pounds change. Have a nice trip.
- Sarah** Thank you very much. Just one question which platform is the train leaving?
- Man at ticket office** We don't have a platform 9¾ at this station (laughs). Actually we only have two platforms. It is difficult to get confused. We are a small train station. Your train is leaving from platform 1.

Task 7 A day at the farm

Text transcription

Mother Today we are visiting uncle Tom at his farm. Are you ready to leave?
Duncan Yes, mum. I love uncle Tom's farm. He has lots of animals and I like playing with them.
Mother Which is your favourite animal?
Duncan Oh I love uncle Tom's horses. They are beautiful and they ride very fast. I want to learn to ride them one day.
Mother It's not easy. It can be dangerous to ride a horse. You have to start with a little pony and then pass to a big horse.
Duncan I know. But uncle Tom can teach me. He is a very good rider.
Mother Do you know he has two new baby horses?
Duncan Really? And what are their names?
Mother They don't have a name yet. Uncle Tom says he wants you to choose a name for them.
Duncan I have to think of something special, then. I'm thinking about Star and Moon
Mother What else do you like doing with uncle Tom?
Duncan Well I like watching him when he milks the cows and when he feeds the chickens. They are so noisy.
Mother But you love their eggs.
Duncan The pig's so funny. He is always hungry and uncle Tom has to feed him four times a day.
Mother Do you like the rabbits? I think they are very cute.
Duncan Yes. And I love the dogs when they run after the tractor. It's really funny. Can I ask my friend Doris to come with us?
Mother If her parents agree it's not a problem. Let's get ready now. It takes two hours to get to the farm and we are already late.

Task 8 An article on Queen Elizabeth

Text transcription

Mike My teacher asked me to write an article about Queen Elizabeth for the school magazine. The problem is I don't know much about her!

Judie You mean Queen Elizabeth I or Queen Elizabeth II? I don't know anything about the first one but I'm an expert on the present Queen. I watched a TV series about her story.

Mike Oh, that's great! The article is on Queen Elizabeth II. Can you help me? I need some information.

Judie I can tell you everything I know. Ask me some questions.

Mike Thanks, let me get my notebook and pen. Ready. Let's start with the first question. When did she become Queen?

Judie Oh, she was very young. She was only 25 years old when her father, King George VI, died. She became Queen in 1952 but was crowned the following year, in 1953. Her reign is the longest in British history. Just think Winston Churchill was still Prime Minister.

Mike That very interesting. And now a more personal question. Where does she live?

Judie It's not an easy question to answer. The official Royal Palace is in London and it's called Buckingham Palace. The Queen also spends some time in Windsor Castle, just outside London, or in Balmoral, which is in Scotland. Her nephew Harry and Meghan married at Windsor Castle.

Mike Stop there with the family. Let's start with her children. How many does she have?

Judie Four Charles, Andrew, Anne and Edward.

Mike And how many grand-children?

Judie They are eight, I think. Let me count. Charles has two sons, Andrew has two daughters, Anne and Edward have a son and a daughter each. The number is correct.

Mike And who is her husband?

Judie She is married from 1947 to Prince Philip. She married when she was only twenty-one.

Mike Very good. I think I have enough information to start. Thank you very much for your help.
